helping with homelessness

Merton's Homeless Drop-In needs Volunteer Cooks

Faith in Action Homeless Drop-In is open on Wednesdays and Fridays 10am to 3pm, at the Salvation Army Hall, 109 Kingston Road, SW19 1LT.

The Homeless Drop-In offers warmth and respect, showers, breakfast, clothes, washing, internet access and help with filling in job application forms, and referrals to external agencies.

We also provide a delicious lunch, freshly prepared by our wonderful teams of volunteer cooks. Every Wednesday and Friday we provide meat and vegetarian meals for 60 to 80 homeless and vulnerable people.

Our Wednesday and Friday teams need new volunteers to join the team.

We are looking for volunteers who enjoy cooking and would be happy to gain experience and confidence. You might take the lead on cooking the meat dish, vegetarian dish, or the pudding.

This is a wonderful opportunity to be part of a warm and supportive team doing something really worthwhile. And a great experience for someone considering working in this field.
