

Faith in Action Merton Homelessness Project, 109 Kingston Road, Wimbledon, SW19 1LT

Donations for homeless people

Our Wimbledon Drop-In would be particularly grateful for the following items:

Cans of meat or fish with a ring-pull opening – our service users really appreciate being able to take away a can of tuna, ham or luncheon meat to make sandwiches when they are living on the street.

Packs of cereal: always appreciated for Drop-in breakfasts.

Cans of tomatoes and jars of coffee: we use these in the Drop-In all the time.

Jam and marmalade: to serve with toast as part of our breakfast offering.

Cleaning Materials: anti-bacterial spray, bleach, toilet cleaner etc to keep the Drop-in clean and to give to service users when they get accommodation.

Oyster cards: with a £5.00 credit, Oyster cards enable service users to travel to appointments.

Men's socks, pants and t-shirts: after a shower it is wonderful to be able to put on clean boxer shorts and socks. We are looking for medium-sized boxers, tee shirts, and socks in dark colours.

Women's knickers, socks and t-shirts: women are in a minority in the Drop-In and we do need to provide for them.

Mobile phones: our service users need simple functioning mobile phones so they can be contacted by employers, health services, and others. A basic Alcatel or Nokia will cost a couple of pounds but with a compulsory credit of £10.00.

Phone chargers: functioning second-hand chargers are very helpful.

Items that we are <u>not</u> currently in need of:

Duvets, sleeping bags, furniture, children's items, toothpaste, toothbrushes, tea, pasta, cereal and baked beans.

Thank you very much for your support.
